The City of Rushford has cut and downed trees along City streets in the boulevard areas which has been hauled to the City's compost site. This wood is suitable for fire wood for individual use and would be the best and most environmentally appropriate use for the wood.

Persons wishing to remove wood must contact the City and provide information regarding name(s) of persons and descriptions of vehicles. The City of Rushford has no objection to individuals removing the logs as long as the following is understood and individuals abide by certain conditions.

- ✓ The City will not cut wood for an individual's use
- ✓ The City authorizes only certain access points for individuals wishing to remove wood
- ✓ The City does not certify or guarantee any quality of the wood
- ✓ The City accepts no responsibility for the transport of any wood outside of the City limits
- ✓ **Fillmore & Houston County are considered quarantined due to the infestation of Emerald Ash Borer; wood must not be moved outside of these counties unless the outer 1" of bark has been removed**
- ✓ The City does not accept any responsibility for the personal safety of anyone removing wood from the site
- ✓ The City does not accept any responsibility for equipment or vehicles entering the site for wood removal
- ✓ The City will be held harmless for any actions or inactions related to this activity and for any risks, known or unknown, regarding this activity.
