PARK TREE PLANTING DONATION CITY OF RUSHFORD/TREE BOARD

The City has had to remove many diseased trees from area parks: Creekside Park, Brooklyn Park, Northend Park and Magelssen Bluff Park.

Individuals, Groups, Organizations, Families are encouraged to make a donation to the City for the replanting/reforesting of these areas. A suggested donation is at least \$200.00 per tree to insure the trees are of sufficient size and health to survive. Smaller donations will, of course, be gladly accepted and may be combined with other donations.

You may choose which park you would like us to plant your tree and you may make a suggestion as to the species of the tree to be planted (although that will not be guaranteed). If you would like to designate a tree as a memorial, you will be responsible for any plaque or name plate you prefer.

When donations are made, you will be notified when and where your tree will be planted. We thank you in advance for your efforts to restore our parks!
